

GRAND CENTRAL STAINED GLASS & GRAPHICS - CLASS CANCELLATION POLICY -

Effective November, 2013

We work hard to create an inspirational, enjoyable, safe and fun environment for all our students. To that end we ask for each student's assistance with respect to attendance.

Please provide us 24 hours advance notice of your intention or need to cancel your scheduled session. With that notice we will be able to seat another student, providing continuity and the good vibe we all enjoy.

If you fail to attend a scheduled session and are unable to provide the requested notice we'll consider your absence to mean you are no longer interested in your class. We'll email and/or call you in an effort to confirm your intentions.

If we are unable to confirm your intention to continue, and you miss a second class without notice, you will be dropped from our roster. At that point you will be eligible for a refund of unused class time or be eligible for a re-scheduling of the balance of your classes when it's more convenient for you.
